

# THE WHOLE IS GREATER THAN THE SUM OF ITS PARTS.

It's an impressive view. With Sedarū<sup>®</sup>, you can run your utility as a unified whole, all at once on a mobile or dashboard screen. Receive actionable intelligence across the entire organization. Bring systems, departments, and people together at the enterprise level – making smart decisions easy.

 **SEDARŪ<sup>®</sup>**  
What happens next™ >>

*Consistently measure system performance, manage with organizational KPIs*

**VIEW SYSTEM PERFORMANCE AS A WHOLE WITHOUT NEEDING TO GET INTO DETAILS**

Manage your utility as one, instead of as disconnected departments

**STAY CONNECTED TO YOUR SYSTEM AND STAFF BETWEEN (OR DURING) MEETINGS**

**INCREASE CAPITAL AND OPERATIONAL ROI WITH OPTIMIZED CIP THAT ADDRESSES NEEDS ACROSS THE WATER NETWORK, QUANTIFIES BENEFITS, AND CALCULATES VALUE TO THE CUSTOMER**

Reduce liabilities/ manage risk by predicting and preparing for operational events and emergencies

*Save hours per month with automated reporting using the latest data*
